

Ou trouver la distribution du style french ?

=====

Where to find the French Pro style files distribution?

Original master server is <http://frenchpro.free.fr>

The French style files are mirrored on various servers around the world; specially on those of the Comprehensive TeX Archive Network (CTAN).

Here is a short list of the French ones which probably should be updated (thanks to let me know: frenchpro@free.fr).

You should normally find a "french" directory copy on these French servers:

<http://ftp.lip6.fr/ftp/pub/TeX/> OR <ftp://ftp.jussieu.fr/pub/TeX/>

<ftp://ftp.loria.fr/pub/ctan/language/>

<ftp://ftp.oleane.fr/pub/CTAN/language/>

<ftp://ftp.uvsq.fr/pub8/TeX/CTAN/language/>

<ftp://ftp.esse-metz.fr/pub/tex/ctan/language/>
